What was the most valuable thing you learned in the workshop?

- Some more classroom friendly activities and movement breaks
- Importance of focus on K-3 to develop basic foundation skills. We are on the right track for our school division, as we are spending more time during whole class development of the foundation skills.
- Very useful quick assessment ideas and materials
- Classroom wide assessment techniques
- About “containers” – thanks for including that information

Was there anything not covered in the workshop that you felt should have been?

How could this workshop have been better or more helpful?

Would you recommend this workshop to others? If not, why not?

- Yes
- Yes
- Yes – especially teachers

Any other comments?
