Additional Comments:

- I wished that we had the power point slide sheets to take notes on. I like to take notes directly on the slides. Less note taking and more listening.
- Would like to have ideas for grade 8.
- More time to entertain questions.
- I didn't realize this workshop was only for elementary and middle school. Please state this on next course outline. This one had very little to do with high school.
- It would be nice to see more visuals. E.g., balls, equipment you use.
