

Pediatric Occupational Therapist Cris Rowan presented
“A Cracked Foundation” on October 30, 2013
 to **health and social service staff in Bella Coola, BC.**

What did the participants have to say?

	Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
Workshop objectives were met	65%	35%			
Workshop was well organized	100%				
Workshop was just the right length	35%	35%	30%		
Instructor was well informed	100%				
Workshop materials were useful	100%				

Most valuable information learned in workshop:

- How to incorporate “Tech and Attachment” into my own Attachment Workshop in Jan/Feb 2014.
- How glad I am to not have TV in my home.
- Research about decreasing empathy and correlation between adhd and technology.

Information not covered that would like in future workshops:

- No

How workshop could have been better or more helpful:

- More time
- A bit more time, although it would have been ample time for a large group format where there would have been less comments/questions/engagement.

Would you recommend this workshop to others? If not, why not?

- Absolutely, more parents! Let me know next time and I will assist in advert/signup.
- Yes, all parents, grandparents, everyone should come!
- Yes

Additional Comments:

- Thank you!

Analysis: generally well received.

Action: none.
