What was the most valuable thing you learned in the workshop?

- Awesome info.
- Vestibular/Proprioception and the importance of it.
- The connection with adhd.
- About how technology affects children.
- I think the info on tech and its effects were very helpful!
- The statistics.

Was there anything not covered in the workshop that you felt should have been?

- Was all good.
- I don't know.
- I have to think about it. Not really.
- No.
- Very thorough – I was so interested – I could have learned more about everything!
- Studies that included our age of children we work with.

How could this workshop have been better or more helpful?

- All of it.
- It was helpful, informative.
- If my daughter-in-law could have been there.
- I've found very helpful.
- More hands on examples of strategies /activities to use in class.
- It was well informed.

Would you recommend this workshop to others? If not, why not?

- Yes
- Yes, I would recommend this workshop to others.
- Yes, it makes so much sense.
- Yes, I would definitely recommend for my friends.
- Definitely Yes!
- Yes I would.
- Yes

Any other comments?

- You're awesome and full of knowledge.
- Great workshop!
- Your information is something I will share with my daughter-in-law too! Thank You!
- Loved the workshop! Thanks Cris!
- Thank you so much! I feel that I am learning the skills I need to really help my students like never before!

Analysis: participants wanting more statistics relevant to early intervention population, and more tools and techniques.

Action: will modify slides to include more of above.
