What was the most valuable thing you learned in the workshop?

- Drug info. All great info.
- A lot of medication has not been tested on children...scary!
- Drugs are not the answer to fix all problems within kids.
- Learning how much drugs are being over prescribed.

Was there anything not covered in the workshop that you felt should have been?  
(No responses)

How could this workshop have been better or more helpful?  
(No responses)

Would you recommend this workshop to others? If not, why not?

- Yes.
- Yes, more information on these topics needs to be given to more people.
- Yes, again this would be useful for parents and classroom teachers.

Any other comments?

- Remembering the importance of 1) frequency 2) duration 3) intensity.
- Had a great 2 days. Lots of info to take back to my organization.
- Great 2 days! Very valuable information to share with parents.
