Additional Comments:

- Thank you. I really enjoyed your workshop.
- Useful information and examples.
- I really liked the strategies—transparent paper, breathing exercises. Would have liked to take resources home.
- Would love to have had Cris speak and cover full 3 hours worth of material.
- It was great. Just wish it was much longer.
- Very informative.
- Would have liked handouts.
- Lots of information. Very good and useful.
- I will be utilizing this with my kids.

Would you recommend this workshop to others?

If yes, why?

- Revealed the learning connections. I wasn't aware of—the basic motor skills and recognition.
- So helpful!
- Yes.
- Yes
- I think it has helped me detect children who might need extra help.
- She had some ideas I will implement and found the ideas easy to grasp. I believe other teachers would find the info just as useful.

- I think all this information is so important. Plus, all should know that 30% of 5 year olds are delayed. .
- I believe strongly that writing (printing) is important. Do not want to see it all go to computers.
- Lots of valuable information.
- Very interesting and practical ideas.
- Yes!
- I will be asking my teachers to purchase your game and program!
- This is so important. I teach in learning services, Gr 6-8. It will be hard to use some of these tools with them.

If no, why not?
