What was the most valuable thing you learned in the workshop?

- That babies/infants don't develop properly if introduced to technology at 0-2 years.
- That technology isn't everything!
- How to take time with the kids.

Was there anything not covered in the workshop that you felt should have been?

- No.
- No.
- No. It was really helpful to listen and help us with our kids.

How could this workshop have been better or more helpful?

- Use projectors and video louder. (Presenter note: as children were present in daycare during presentation, I was unable to use projector and screen, so had to show on my computer and was difficult to hear video).
- More videos, demonstrations, information.
- Everything was great.

Would you recommend this workshop to others? If not, why not?

- Yes.
- Yes.
- Yes I would, because it will help all parents see how to hug our children.

Any other comments?

- No.
- No.
- It was nice to hear one person talk about a child the way kids like to hug. Great job!

Analysis: generally well received.

Action: none.
