What was the most valuable thing you learned in the workshop?

- How little time school dedicate to printing literacy.
- I think it was good to learn the importance of developing strong core. Although other info was good too!
- Attention span, left handed, TV usage.
- 6 shapes, remembering midline.
- Printing skills.
- Teaching the order of learning to print.
- The importance of making lines and shapes.
- All

Was there anything not covered in the workshop that you felt should have been?

- No.
- No – but I could have listened longer and learned more. Would have been happy if the workshop was longer.
- No.
- No.
- N/A
- No.

How could this workshop have been better or more helpful?

- I could do this course subject all day!
- Longer – would have been great to extend this to a day or ½ day. Allow for some brainstorming time about what to do in the centre where I work.

- I would have stayed longer!

Would you recommend this workshop to others? If not, why not?
