

Pediatric Occupational Therapist Cris Rowan presented
“Diminishing Returns” workshop on June 3, 2009
 for teachers and OT’s in Vancouver, BC

What did the participants have to say?

	Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
The workshop objectives were clearly stated	75%	25%			
The workshop was well organized	75%	25%			
The workshop was just the right length	75%		25%		
The instructor was well informed	75%	25%			
The workshop materials were useful	75%		25%		
The workshop objectives were achieved	75%	25%			

What was the most valuable thing you learned in the workshop?

- Classroom design.
- Ways to set up a “moving” classroom or gym with stations.
- That 75% of teachers are left brainers. Implications for right brainers in class
- Create visually calm place in classroom—advantages of chalk. Thinking how to make the most of classroom space.

Was there anything not covered in the workshop that you felt should have been?

- No.

How could this workshop have been better or more helpful? (No comments.)

Would you recommend this workshop to others? If not, why not?

- Yes.
- Yes
- Yes

Any other comments?

- This workshop didn’t have as much new info. for me but Cris still did a great job presenting and I liked the discussions, also. The second half was more interesting to me.

- It was All good!!! Thank you so much. I feel totally enthusiastic and energized to go back and looking at what we can do differently at our school!! Being able to discuss was a great opportunity in the small group.
- Could you have some Move'n, Zone'n, etc. products available for sale at the conference. (I bet you'd sell lots!) It's been very stimulating as an OT to have spent the last 3 days with you. You are a huge asset to our profession! Thanks.
