Any other comments?

- The workshop was great. The snacks would have been healthy snacks, i.e., cheese and crackers. Thanks!
- Giving workshops to local police and justice departments b/c every school in Yellowknife has a school liaison. Working in conjunction with Restorative Justice and Young Offenders Facility (YK District #1 has a staff member assigned to the YO Facilities). This

knowledge would be powerful, especially with the video clips and information. Emphasis needs to be on Early Childhood and more \$ for training. More parent workshops. Prenatal Classes. Public Health. They need a checklist from you. Keep up the great work!
